### Key to this record

Grades on this record: A = 4.00, A- = 3.70, B+ = 3.30 on a 4.00 scale. Attempted and Earned are local credits. Points are grade points multiplied by local credits, or by ECTS where a course has none; GPA is total points divided by the graded credits. Pass/Fail courses show Pass or Fail, do not affect GPA, and only a Pass earns credit. ECTS is the European Credit Transfer System; one ECTS credit represents about 25 to 30 hours of student work. Dates are shown as day, month, year. Confirm official standing with the responsible university registrar.
